DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-22 are rejected under 35 U.S.C. 102(b) as being anticipated by Sitrick 5,728,960.

Sitrick discloses a game system which enables a player to play a game for evaluating accuracy of an operation performed when the player has operated an actual performance operation instrument in accordance with an operation instruction given in connection with a displayed image of a performance operation instrument appearing on a game display screen (col. 5, ll. 14-67 onto col. 6, ll. 1-31), which comprises a mark-up processing device which marks up an improvised musical operation which is played with a degree of freedom of performance by the player through use of the actual performance operation instrument in accordance with a performance operation instruction (col. 6, ll. 32-67 onto col. 7, lines 1-11). Further, Sitrick shows that the above game system can be played by a plurality of players as shown in Figure 4.

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Strick 6,084,168 discloses other type of game system.

Response to Arguments

4. Applicant's arguments filed 12/16/2002 have been fully considered but are moot in view of the new ground(s) of rejection.

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
